From the Desk of the National President

Auxiliary Members.

Where has the time gone? The Conventions are in full swing. I would like the members to know that, this year, so many of the regional conventions are being held on the same dates. I have had to pick and choose where I will be attending during this convention period. If I am not able to attend your convention know that I will be thinking of you all and wish you a successful convention.

Thank you to the East Coast members for the generous donations to the National President's project.

I would like to thank the Scholarship Committee for all the work they have put into selecting the recipients for this year's scholarships. I have called and communicated with the recipients and they have all been so gracious and excited in accepting the awards. Congratulations to all this year's recipients.

National Presidents Scholarship is awarded to Ethan Agustive Sizelove of League, Texas.

LA FRA Scholarship is awarded to Mya Lucille King of Silverdale, Washington.

Allie Mae Oden Memorial Scholarship is awarded to Sean Frederick Zwicky of Pekin, Illinois.

Sam Rose Memorial Scholarship is awarded to Mathieu Kevin Koltchigin of Winter Haven, Florida.

National Delegate sheets are being received and it is very important that if no one is attending from your Unit, that the Unit names proxies. If your Unit wants the proxy to vote a certain way, send them instructed on how to vote. Send your proxy a letter so they will know of the Units wishes as we do have resolutions that we will be voting on.

There is some questionable signing of National Delegate sheets and this practice does not comply with **Section 606 (g)**. It is the inalienable and sovereign right of each Unit of the LA FRA to have full and irrevocable control of its franchise and delegates. One person may not seek out Units in their Regions and sign the delegate sheets authorizing that person to be the Units proxy. The Unit votes who will be delegates/proxies to the National Convention and this form **MUST BE SIGNED** by the Unit President and Secretary. If this is being done we will follow **606 (j)** No fractional votes will be allowed in casting the Unit's vote.

As we prepare for the National Convention in Hunt Valley, Maryland we would like to have an outstanding attendance for the convention. I know that many are still thinking about attending but reservations need to be made now. We need to support the convention committee to meet their goals on putting on this convention. The committee has many activities plan and you will have a good time while in Hunt Valley. If you are flying to convention the closest airport is (BWI) Baltimore, Maryland. The information is on the LA FRA website take the time to see all that is offered by the committee during the convention.

Our condolences to our members in the loss of their loved ones, may you find peace. If you or a family member has been ill or lost a loved one, please accept our best wishes and condolences. Celebrating a Birthday – Happy Birthday! Wedding Anniversary – Congratulations! To All “Best Wishes” for continued good health.

I remain in,
Loyalty, Protection, and Service,

Helen A Courneya
National President

National President’s Project

“Survival of the LA FRA”

There is still so much work to do to keep the organization thriving and we must now do what is necessary to help ourselves. I have decided that the LA FRA should keep our programs such as the Scholarships, Welfare Fund, etc., and we need to be able to concentrate on funds for the future. Without knowing the outcome at convention, I chose the National President’s Project to be “Survival of the LA FRA.” We all know that some of these programs would have been depleted many years ago if we didn’t seek donations. This will be a project that will allow us to do what is needed to keep these programs alive. We do so much for the community that it is time that we look at the decline of membership revenue and ensure the success of these programs for our future. All donations will go to the National President’s Project and at the end of the year will be divided into the various programs.

From the desk of the Membership Services Administrator (MSA)

I want to thank the National Board for selecting me to serve as the Membership Services Administrator again. The other candidates were very highly qualified for the position but since I am familiar with the duties and responsibilities of the MSA position, there would not be a need for training.

My duties will begin after the National Convention in September. The November 2017 dues notices that will be sent out at the end of closeout on August 31, 2017 will reflect the new address. Since I have already procured the Post Office box, please send any correspondence to the Easton address beginning in September. PNP Pat will continue to forward any mail when she returns home after convention. There may be some delays but please be assured Pat and I will work together to insure that everything goes smoothly.

Traditionally, the membership card was included with the renewal notice. Some members did not realize that the card was not valid until the MSA had received payment. In some cases, these members were suspended for nonpayment. With this in mind, the delegates at the convention in 2014 agreed that the membership cards would not be mailed out until the dues were paid. Unfortunately, the cost of the double mailing does not appear to make a significant difference to justify this expense. This will be discussed at convention and with the delegate's approval; we will return to the original procedure of mailing the membership card and renewal notice together. To help alleviate any confusion, we will include a note informing the member that they must send the dues payment to validate their membership for another year.

UNITS IN THE NEWS

Unit 137 – Sierra Tahoe

Brenda with Resident

LAFRA Unit #137 visited with several residents/veterans at the Carson Valley Senior Care Center on Flag Day. We offered each resident to reach into our baskets of personal care items, such as toothpaste, toothbrushes, denture cream, etc. Games, cards, writing paper, pens and even a few fancy boa's for the ladies. A wonderful time was had by all and it was an honor to listen to the stories of the WWII and Korean War Veterans.

The Branch and Unit #137 held its Annual Picnic on July 1st. In addition to a great turn out by our members we were joined by Kelly Pena, WCRP LAFRA and her husband, as well as members of the Carson City Sea Cadets and two of our WC Region Essay Contest Winners one of which, Leah Schemenaur, went on to win 3rd Place Nationally amongst all 9th graders. Members of the Branch and Unit were recognized with pins and awards for their dedication and commitment. The day was rounded out by both Branch and Unit signing new members!
