1		1	NP: Sergeant at arms, would you please invite the members in
2		2	and close the door. (3 raps) National Chaplain Jackie would
3		3	you please open the Bible.
4		4	NChap: The Bible is open.
		5	NP: Thank you. (1 rap).
5		-	During the break I was asked to remind the people towards
6		6	the back of the room to please remember that extra chatter
7		7	makes it hard for other people to hear so please make sure
8		8	your cell phone is off if you turned it on during lunch. At this
9		9	time, I'm going to ask the National Archives chairman, Diane
10		10	Hoover, for her report.
11		11	DIANE HOOVER: Diane Hoover, PNP, Unit 24, delegate,
			National Archives Chairman. Believe it or not, I didn't do
12		12	anything this year. Nobody gave me anything until I got here,
13		13	and Carolyn gave Carolyn Whitaker gave me unit 44 and
14		14	unit 313's charters, and then madam President says she has
15		15	two over there on her chair. Why did you bring them to the
16		16	convention?
17		17	UNIDENTIFIED SPEAKER: Because that's what the book
18		18	said.
19		19	DIANE HOOVER: Why don't you mail them during the year because now we have to package them up, put them in the
20		20	
21		21	mail, send them back to Washington. It makes no sense to me
22		22	to bring stuff to the convention. Just saying. So that's all of
23		23	my report. I really didn't receive anything until I came here
24		24	today.
25		25	NP: Thank you, Diane.

The only thing I would like to maybe amend here we go is that it says each unit must obtain an EIN number and once the EIN number has been obtained, we have regions who haven't filed their 990 and aren't in compliance with the IRS so I think it should include however you want to word it, national, regional and units. SANDRA ROBBINS PNP: Okay. The reason this is under units. And it's not addressing regions. If we want to put this which we probably should but regions should put that in their own bylaws. This is governing – the national body is telling us what units with the IRS, what they have now are telling us. And we've only been talking about having the compliance for how many years like you said. 2008 it was the year after I went out of office. So we need to get this done folks because we're telling everybody you have to do it, but we legally we can't enforce it because we don't have it in our bylaws. GAIL DOLOWAY PNP: Just a point. Gail Doloway, PNP, delegate Unit 90, fabulous Las Vegas. I don't know if you want to add this or how you want to do it, but you're just saying obtain an EIN. You can obtain an EIN for a business at any time, but you want an exempt EIN because the exempt status of the EIN requires the Filing of the 990.So adding the word exempt, EIN, or exempt status EIN would I think	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	Page 104 So I would leave out the exempt because the way it's written it still works. SANDRA ROBBINS PNP: If we just say veterans exempt EIN, do you think that would cover us? TONI O'NEIL: That would cover you. SANDRA ROBBINS PNP: It's enough specific. UNIDENTIFIED SPEAKER: It said 501 C19. NP: So that 4th line is going to read – the 4th line will read must obtain a veteran's exempt EIN number. UNIDENTIFIED SPEAKER: We could go on to add 2 501C1. UNIDENTIFIED SPEAKER: I wasn't going to do that because then it's specific in case the IRS changes something. NP: Okay. We'd like to remind that the chatter is obstructing people hearing so please come to the microphone if you have a comment that you would like to make. Okay.
