Warrior Foundation – Freedom Station

Warrior Foundation – Freedom Station is a nonprofit 501(c) 3 organization that aspires to be the leading force in assisting, honoring, and supporting the men and women who have bravely served our country. They are committed to supporting warriors with quality-of-life items, support services and transitional housing that assist them and their families during recovery.

Assistance is included for four main groups:

Group 1) the seriously injured returning home from war with immediate medical and emotional needs including airfare, hotel, and rental cars for the family.

Group 2) Warriors suffering from post-traumatic stress or brain injury including therapeutic/recreational programs, vocational

projects and funding of the Wolfpack, the only all-military wheelchair basketball team in America.

Group 3) Warriors undergoing physical and/or occupational therapy including flights home for the holidays, modified combat boots to accommodate prosthetic limbs and ultra-light wheelchairs.

Group 4) medically retired warriors who are in the process of transitioning to civilian life. Offering educational and career guidance and transitional housing at one of the Freedom Stations.

All participants are referred by their Commanding Officers as needing assistance. 96.4% of every dollar raised goes towards the programs that directly benefit and support the warriors. For more information see www.warriorfoundation.org

I hope you can join me in assisting this worthwhile organization.
