DECEMBER 2023 1st Newsletter

Auxiliary Members

I hope that each and every one of you had a wonderful Thanksgiving.

I was unable to attend the Veteran's Day program in Birmingham, AL this year.

I am currently in Tennessee and will be here until the after Christmas. For those who had not heard about my accident and those that have heard I have an update. I was planning on being in Tennessee in October for my grandson's wedding, however I was about a half an hour from my son's house when my car went off the road and hit 3 trees. Two of my sons and a grandson were with me. I thank God that the most serious injuries were 5 broken ribs and a broken clavicle for my youngest son, his oldest broke his palate and my older son ended up with a bruised nose from the air bag. I apparently completely destroyed my right ankle and needed surgery.

Fortunately, we were all able to attend the wedding. My grandson son and I are still in Tennessee. He will most likely be flying back to Florida after he sees his doctor next week. I developed pressure wounds and am still going weekly to wound care. I am now allowed to bear some weight on my right leg but am still not fully mobile.

My project is to raise funds for our regional treasury. I will have a diamond painting for raffle. I will post pictures as soon as it is finished.

Members, I still need people to volunteer to be on committees. Please consider volunteering to help at the regional convention.

Remember, if you have any concerns or problems with your unit, you may contact me at any time. I can be contacted by phone or e-mail whichever method you prefer.

I wish each of you a very Merry Christmas and a Blessed New Year!

In Loyalty, Protection and Service

Ronalee S. Klase, RPSE

From the Regional Vice President

Auxiliary Members,

My name is Lena Adams, and I am your regional vice president. I am a member of Unit 210, Milton, FL.

I will be contacting members who are 60 days past due. This contact will either be a phone call, an e-mail or a letter. Please be sure to pay your dues when you receive your notice that your membership is up for renewal. Your membership matters and we don't want to lose you as a member.

From the Desk of the Southeast Regional Treasurer:

Just wanted to follow up on those who did not submit their Regional Assessments for the 2022-2023 year.

In accordance with the SER Bylaws and Standing Rules:

SECTION 506: To meet necessary expenses of the Regional Convention, e.g. printing of forms and minutes, and mailing updated copies of Regional Bylaws to the Units and Officers of the Southeast Region, each Unit within the Region shall be assessed Five Dollars (\$5.00) per Delegate vote based on the March 31 Annual Membership, compiled by the National Financial Secretary (LA FRA National C&BL, Article VIII, Section 809(q), report in the year in which the Convention is held. These assessments are to be made payable to the LA FRA SER and mailed to the Regional Treasurer, AT LEAST 30 DAYS PRIOR TO THE CONVENING OF THE REGIONAL CONVENTION.

Over the past several years several Units are not paying their assessments and this causes the Region to not be able to cover expenses without taking money from the Regional Saving Account. If this continues the Region will eventually not have the money to cover expenses.

As of this writing we have not received assessments from the following Units:

Unit 183/Interlachen/4 votes/\$20.00 due

Unit 194/Knoxville/2 votes/\$10.00 due

Unit 210/Milton/7 votes/ \$35.00 due

Unit 346/Panama City/7votes/\$35.00 due

Please mail your assessments to: Sandra Robbins, PNP SER Treasurer, 2712 Holly Ridge Drive, Orange Park, Florida 32073-6515.

In Loyalty, Protection and Service,

Sandra Robbins
