From the Desk of the National President

Here we are in the 2nd month of the new decade, where vision could be “2020”, the vision of how we could see the future of our Auxiliary. Having clarity and faith of who we are and the sincerity to follow through in our purpose of making a difference, could give us gratitude and meaning in the desire to being volunteers for a great organization. In our meetings, conventions and events, how do we see each other? Do we see our fellow members working together to keep our organization compliant? Are we working on ideas and plans to reach out to our community? Are we a support system to each other and the FRA Branch? Of course, our major vision is to retain, reinstate and recruit members. At the end of March, the number of members of each unit, determines the number of delegate’s votes a unit will have at convention as well what category a unit will belong to for competition on unit activity awards. It is important when membership applications are submitted, unit secretaries verify qualifications and complete the PCT A form to mail with the completed applications to the NFS. Another note is to follow up on those members that are past due for their renewals, and past due members do have an impact on the unit active member count. The number of active members, as of March 31, 2020, will be used to calculate the number of votes the unit will have at convention. With regard to the status of the PCT transition to the National Financial Secretary, first of all, we thank you for your patience, 1st quarter reports have been distributed in January. These reports are done manually for now. Having to manually produce these reports is due to the manufacturer’s software updates, causing a problem with the program’s coding that is not triggering the ‘start generating report’ code. This issue is being evaluated for a resolution for the current program.

February is a good time to learn more about the operations of the Auxiliary by reviewing the Unit Procedure Manual and the LA FRA C&BL (available at our website www.la-fra.org) as well review your Unit and Regional By-Laws. Resolutions for the C&BL are generally due 120 days before the convening of the national convention; nominations for Unit Officers shall be opened at a meeting in March, April, or May, as specified by the Bylaws of each Unit; Pilgrimage, mid-years and caucuses will take place; and scholarship applications are due April 15th.

Pilgrimage is coming up on April 25 2020, hopefully for those planning to attend (this is open to all members to participate) have or are making travel arrangements. For Units, “Section 815(c) Donations – Each Unit is privileged to send five dollars each year, prior to the 25th of April, to the National Financial Secretary, as a contribution to the Pilgrimage fund. The monies donated helps to defray the cost of the Annual Pilgrimage.” More than five dollars will be appreciated, since expenses for Pilgrimage has increased and the number of units is less than 84.

Thank you to those that have contributed to the National President’s project. The project is Operation Homefront that supports veterans and their families who are in transition from Military life to Civilian Life, for more Information:

<https://www.operationhomefront.org>. To contribute, make checks payable to “LA FRA”, Mail checks to, Pat Suckow-LA FRA NFS, 106 Hyrne Dr., Goose Creek, SC, 29445-7331.

May healing come to those that are having physical and emotional challenges; Congratulations to those that are having anniversaries, birthdays and blessed with a special event. Weather is challenging during the winter, be prepared and safe on the roads while traveling.

***Position available: Office of National Financial Secretary
Is open for the 2020-2023 term***

A candidate for this office needs to be self-motivated; detail oriented, fully committed to the duties assigned, and most important be a team player. Be able to use Microsoft programs Excel and Word. Any member in good standing interested in this office should review the LA FRA C&BL (especially Article 8, Section 809) and Standing Rule 18 for information about the duties of the office. The duties of the membership service part of the NFS office may require familiarity with the Microsoft program Access, which may be an advantage when working with the membership information. If you are interested in the Office of Financial Secretary there is a manual for the office, if you would like to receive a copy of the manual please contact NES Vera Thomas. Think of it as your next 'new' job as with any new job you should research the position so contact Past National Presidents/Officers and ask questions, you will not be the first person to ask questions and hopefully you will be in a position to help others when they ask you the same questions.

A message from the Constitution & Bylaws Committee Chairman --

It's that time of year again for any Unit wanting to update the Constitution & Bylaws (C&BL) or Standing Rules (SR). The correct outline is in Article 12, Section 1205, Sub-Sections 1205(a) thru 1205(g). Please note the following in 1205(g) that the copies are to "be sent to the National Executive Secretary, National President, National Vice President, National Parliamentarian, Chairman of the C&BL committee, not less than 120 days [postmarked no later than 30 May 2020] before the convening date of the Annual National Convention", with original signatures on all the copies.

Also please note that a C&BL Resolution must have two readings, example if read in a January meeting the next reading would be at the February meeting (please note Section 1205(f)). A Standing Rule needs to be read only at one meeting (please note Section 1206)).

If you have any questions or need any information you can contact me or any of the above listed officers for help.

Yours in Loyalty, Protection, and Service
D. Loretta Roberts, PNP
National Constitution and Bylaw Committee Chairman

A message from the RP South Central PNP Gini Larson:

I wish to thank the members of the South Central Region for electing me as your Regional President for the Auxiliary year 2019-2020.

Our Units are working hard to achieve helpful things throughout our Region. Unit 94 members attended the Navy Birthday Ball in Corpus Christi, the Marine Corps Academy Ball in Harlingen, TX and the Marine Corps Ball in Corpus Christi. The Unit works hard with the Marine Corps to provide toys and monies for the Toys for Tots Program and this will be our 20th annual event, they participate in donating to the Wreaths Across America. Unit 371 collected purses and stuffed them with many items including toothbrushes, toothpaste, brushes and combs, and many other items to give the homeless and needy females in Baton Rouge area. One of their Unit members is a new VAVS representative. Unit 162, NOLA, LA donated to St. Jude's Children's Hospital. They donated 16 flags that needed replacement. They are having sales and auctions to raise money for the Christmas Party for the local children in their area. Unit 92 is also helping out with items to donate to the needy in their area. Unit 201, Capitol Area, Austin, TX works hard with the Branch on essays as Branch 201 not only annually received over 500 essays, they are also the Chair for the South Central Region Essays.

I have visited Unit 94 Corpus Christi and the Louisiana Units 371, 92 and 162 and will be visiting Unit 11 Fort Worth and Unit 201 Austin in the near future. I will plan on visiting Unit 227 Ozark, AR in May or June depending on availability.

Our South Central Mid-Year meeting will be held at the LeBossier, 4000 Industrial Dr., Bossier City, LA 71112 on March 27 & 28, 2020. Room rates are \$69.00 plus tax and the phone number for reservations is (318) 747-0711. Please state that you are with the Fleet Reserve Association.

Yours in Loyalty, Protection & Service,

Gini C. Larson, RPSC, PNP

Valentine's Day

There are a number of Saints called Valentine honored on February 14. The day became associated with romantic love in the Middle Ages in England. This may have followed on from the Pagan fertility festivals that were held all over Europe as the winter came to an end. Traditionally, lovers exchanged hand written notes. Commercial cards became available in the mid nineteenth century.

OOPS!!!!
