January 2021 Edition

*From the Desk of the National President*

As we start the new year, COVID 19 restrictions continue. I am asking the **AUXILIARY OF THE FRA LEADERSHIP** and **MEMBERS** to think out of the box for innovative ways, and new ideas to help preserve the future of the Auxiliary and to benefit ourselves. The membership continues to decline during the pandemic. It is critical for the survival of the **Auxiliary of the FRA** for the **LEADERSHIP** and the **MEMBERS** to work together to overcome the loss of membership, help members overcome the restrictions and depression brought on by the pandemic and provide support to the members by staying in touch to help each other.

Due to the limited travel and social distancing requirements many areas are unable to hold regular meetings therefore teleconferencing and zoom meetings are successfully taking place throughout each region. If the restrictions prevent regular meetings in the area, **UNIT PRESIDENTS** are requested to set up teleconferencing meetings for the Regular Business Meeting and Board of Directors Meetings. This will not only serve to conduct the business of the Auxiliary, allow members confined to home to attend meetings and is wonderful time for a social get together. You can combine business and pleasure.

Regional Presidents have established a regional plan to benefit the Auxiliary of the FRA and due to COVID 19 they are unable to attend Unit meetings or assist Units overcome issues at hand or encourage activities. **REGIONAL PRESIDENTS** are requested to set up teleconferencing or zoom Regional Meetings and invite all **UNIT PRESIDENTS** to attend the meeting and report of the Unit activities. Again, it is a great time for a social get together and **UNIT PRESIDENTS** can share ideas to help the members and the Auxiliary.

To stay in touch with the membership during the unusual COVID 19 time, Units could establish a Telephone Committee to contact members to let them know they are appreciated, just to say hello, or remind them of a past due membership dues notice and send Birthday/Thinking of You/Get Well Cards.

To inform members of Auxiliary news and stay in touch with unit members, **UNIT PRESIDENTS** are requested to ask each member to provide their email address so they may receive an email copy of the monthly TRIANGLE. Send the email address to NES Vera Thomas [aquaspacev@aol.com](mailto:aquaspacev@aol.com).

**WITH THE LEADERSHIP, OF REGIONAL PRESIDENTS AND UNIT PRESIDENTS, AND MEMBERS WORKING TOGETHER WE HELP EACH OTHER AND THE FUTURE OF THE AUXILIARY OF THE FRA**

Congratulations to the members celebrating Birthdays, Anniversaries, and special events. Wishing good health and happiness for all.

Yours in Loyalty, Protection and Service  
Jackie Scarbro, National President

A reminder for all Regional and Unit Presidents, Secretaries and/or Treasurers about filing the IRS form 990-N. The National Treasurer files the 990-N for National LA FRA, but it is a responsibility for the regions and units to file as well. The date a region or unit file is individually based on the original or latest filing with the IRS.

***Several tips to help you prepare Form 990:***

**Know the version of the Form 990 your Unit files**

**Assemble key information from Unit records**

**Know the Unit's deadline for filing**

**Ensure the Unit files the Form 990 for this year**

**It is suggested that the updated 990 information be sent to the National Treasurer**

**Each Region/Unit must have EIN Number**

**Banks/investments must have same name as on EIN letter**

**Bank Accounts should have 2 signatures on transactions**

**Accounts should have 2 or 3 authorized signers**

**Checks should correspond to budgeted line item**

**All payments require a source document, drawn voucher and paper check**

***LA FRA History*** - excerpt from the History book

On May 21, 1931, the Auxiliary's incorporation was granted by the New York Secretary of State. This would be costly and there was no money in the treasury.

Lawyer Solomon, himself a Marine Corps veteran and ever a sympathetic and understanding friend, gave his legal services free and the cost of the incorporation simmered down to the actual cost of \$37.50. This money was borrowed from the Brooklyn's Unit's Treasury and returned soon after, from the proceeds of an activity conducted by the National Officers.

Now the work started in earnest. The National President and the National Secretary traveled many, many miles at their own expense, selling the Auxiliary idea to the Branches in the New York Metropolitan area and then reached out into the neighboring States, New Jersey, Connecticut and Pennsylvania.

Reading about the travels of the NP and NS, it seems as if 'what was' needs to be 'what is.' Following the example of these ladies, we all need to encourage each other to 'sell the Auxiliary idea' to the people we know or meet.

Note - The LA FRA History book supplemental is being compiled and should be available for download from our website during the first part of 2021. When available after production, orders for the print supplemental and/or the complete history version can be ordered from NFS Horton - address is listed on the front page of the Triangle.

February 3, 1943, when the troop ship USAT Dorchester was torpedoed the life vests were passed out to men, but the supply ran out before each man had one. The four chaplains gave their own life vests to others and helped as many men as they could into the boats, then they linked their arms together, saying prayers and singing hymns and went down with the ship.
