From the Desk of the National President

With all the weather events this winter, I hope that everyone continues to be safe and warm. Even my hometown in Southern California is getting more than the usual rain and flooding. I'm not complaining, I know that some of you are experiencing some significant events. If you know a member that has suffered losses and needs some help, reach out to your Regional President for ways that the LA FRA can help.

It is getting to the time of the year that we need to start thinking about the business that needs to be taken care of at National Convention. Please discuss and review any additions or amendments to the C&BL, Standing Rules or Rituals the members think should be made. Feel free to contact me or National Parliamentarian, Cindy Rodham-Tuck for clarification of existing language within the current C &BLs and Standing Rules. If the unit needs help writing a resolution, refer to Article 12 of the C&BL.

The current National Financial Secretary, Brenda Horton, will be completing her 3-year term and has submitted her resolution for National Vice President. Therefore, it's time to elect a new National Financial Secretary. If you feel that someone in your Unit, or even in another Unit, has the qualities to be a leader then approach them. NFS Brenda can provide a copy of the NFS Manual and explanation of the duties and responsibilities of the position. It is becoming increasingly difficult to convince members to run for office. Fostering our members that exhibit potential as leaders is the best thing we can do for our organization. Ambition and motivation to succeed is contagious.

As some may know, my father was hospitalized this month as a result of a fall he took at home. I'm hoping to keep all my travel commitments that I've made, but there may be some changes. In the month of February, I've planned to attend the Southeast Mid-year meeting in Tennessee and making plans to attend the East Coast Mid-Year in Virginia. I hope to meet with as many members as I can while I'm at the meetings. I invite you to reach out to me and introduce yourself!

Pilgrimage is scheduled for April 15, 2023. The procedure for the laying of the wreath ceremony at Arlington has changed, particularly since the pandemic. If you have never witnessed the Pilgrimage ritual, please try to attend this year as we cannot predict the future of this event. It is deeply touching and very proud moment for the Auxiliary.

As of this writing, the LA FRA website has not been updated with my current project information. If you have a few moments, you can see what the Warrior Foundation – Freedom Station is all about at www.warriorfoundation.org. They help our returning warriors and their families by providing the resources to help them transition to civilian life.

Until next month,

Yours in Loyalty, Protection and Service,
Nadine Fulton, National President

From the Desk of the South Central Regional President

I wish to thank the members of the South Central Region for electing me as your Regional President for the Auxiliary year 2022-2023.

The Units in the South Central Region continue to work hard with numerous projects to help people in the Region. Unit 94, Corpus Christi hosted a drive by Trunk or Treat in the parking lot of the FRA Branch Home and had over 100 vehicles with children drive through and pick up treats. The Unit had fund raisers including a fajita plate luncheon to help with other Christmas donations to be made. The Unit held a benefit for the Unit President and her husband to cover funds for medical attention.

Unit 162, NOLA hosted a Thanksgiving Day dinner for the members. The Unit had a party to celebrate the 50th Anniversary of their Charter. They held a Bake Sale to raise money for donations to St. Jude's Children's Hospital, Toys for Tots and a family with a special needs child. Unit 201, Capitol Area, Austin works hard with the Branch on essays, as Branch 201 not only receive over 400 essays they're also the chair for the South Central Regional essays. Unit 371, Baton Rouge and the Baker, LA VFW joined forces for a Christmas Project stuffing purses with Lady items such as jewelry, the purses, and numerous other items for the Homeless Women's Shelter. The Unit has ice cream socials and Bingo games with the Veteran's home.

The South Central Region will be hosting a ZOOM conference out of Houston for the Mid-Year meeting on 18 March 2023. Anyone wishing to attend in person can meet at the Comfort Suites at Hobby Airport. The Regional Convention will be held at Le Bossier Hotel, Bossier City, LA 18-19 August 2023 will be the hotel and meetings will be held at the local VFW. I plan to do my official visit to Unit 94 in January, Unit 201 in February, and will be attending the Pilgrimage in April. The National Convention will be held September 23-30, 2023 at the Nugget Hotel/Casino in Sparks Nevada.

Yours in Loyalty, Protection & Service,
Gini C. Larson, RPSC/PNP

From the Desk of the East Coast Regional President

Greetings Auxiliary:

Let's go back to why we became members of the Auxiliary, for myself it was passion for what we stood for. One main portion of the preamble states "We, the members of the Ladies Auxiliary of the Fleet Reserve Association, do band together to aid, assist, and promote in all matters pertaining to welfare, social and patriotic work."

1. To aid is to give up your time to that senior or fellow Veteran that may need a helping hand, maybe a ride to the Doctors office, food shopping, or simply encourage social interaction.
2. To Assist is Volunteering, Donating, teaching, sharing, and working together.
3. To promote welfare matters is to do what is best for the citizens in our country, to protect and ensure the welfare of its citizens.
4. Social is simply connection with others showing compassion and purpose with random acts of kindness.
5. Welfare is to give back, we do this through community service, hospital visits, caring for the homeless, volunteering and creating community events.
6. Patriotism is love, a true sense of attachment to our country, sharing cultural experiences working together to better our country.

Passion, and the willingness to do for others, to show compassion and understanding is the true make-up of this Auxiliary. With all the hard work throughout our Units shows we are members with a portfolio that has exceeded our expectations. At times it may seem our work is small but look at the person you just helped or the group you gave support to and don't forget about the homeless person that smiled from your random act of kindness. Stay focused and continue your great works. Remember why we became members. This is a brand-new year. Reaching out and sharing views, ideas, and creative skills with other Units is a great way to build on our mission and grow this Auxiliary.

Yours in Loyalty, Protection and Service,
Dorothy Smiley, RPEC

Position Paper
Increase GF for Commonwealth Veterans
Cemeteries Eliminate Spousal Burial Fee

OBJECTIVE: To provide an additional \$300,000.00 (GF) per fiscal year to the Virginia Department of Veterans Services so the spousal burial fee may be eliminated at Virginia's three veterans' cemeteries.

BACKGROUND

- National Cemeteries operated by the U.S. Department of Veteran Affairs (VA), such as Culpepper and Quantico, are 100% federal funded:
 1. The VA does not charge a burial fee for Veterans
 2. The VA does not charge a burial fee for spouses.
- The Virginia Department of Veterans Services (VDVS) operates three Commonwealth veterans' cemeteries, Amelia, Dublin, and Suffolk.
 1. VDVS does not charge a burial fee for Veterans. VDVS receives a one-time partial reimbursement (known as a plot allowance) from the VA that covers a portion of VDVS cemetery operations. The remainder, funded by the General Fund.
 2. VDVS charges a \$400.00 spouse burial fee to support cemetery operations and maintenance. The VA does not provide any funding for spouses buried in commonwealth veterans' cemeteries.
- Operational funding for the Commonwealth of Virginia's veterans' cemeteries comes from the VA plot allowance (approximately 45%), the Commonwealth's General Fund (approximately 45%), and the spouse burial fee (approximately 10%).

DISCUSSION:

- A long-standing Veterans benefit provided by the VA is a final resting place for eligible Veterans and spouses in National Cemeteries that have space.
- When National Cemeteries began to run out of space in the 1970s, the VA established a grant program for construction of state veterans' cemeteries, with a goal of placing a National, State, or Tribal veteran's cemetery within 75 miles of 95% of the population. Since 1978, many states have established their own Veteran Cemeteries to ensure that this benefit is available to their Veterans.
- VA grants funded the construction of three Commonwealth of Virginia veterans' cemeteries (Amelia, Dublin, and Suffolk) operated by the Virginia Department of Veterans Services. VA has also awarded several grants for phased expansion.
- Between 700 – 800 spouses per year are buried in the Commonwealth of Virginia's Cemeteries. The spouse burial fee provides critical funding that directly supports the operations and maintenance of our cemeteries, including salaries for 42 employees (36 full-time, 6 wage).
- There is a disparity between the National Cemeteries in Virginia (no charge for spouse burials) and the Commonwealth of Virginia's Veterans Cemeteries (\$400.00 charge).
- The VDVS budget should be increased by \$300,000 (GF) per fiscal year so this disparity can be eliminated at the Commonwealth of Virginia's three veterans' cemeteries.
- The Commonwealth of Virginia should work with the federal elected officials to extend the VA plot allowance to spouses buried in all state veterans' cemeteries nationwide.

RECOMMENDATION: That the Governor and the General Assembly appropriate an additional \$300,000 (GF) to the Virginia Department of Veterans Services so the spouse burial charge may be eliminated in the Commonwealth of Virginia's Veterans Cemeteries and that Virginia work with Congress to secure the funding (in the VA budget) to extend the VA plot allowance to spouses at all state veterans cemeteries nationwide.

The above information was submitted by Dorothy Smiley RPEC/ VAVS Chair.
